

Verona Council 11155

Congratulations!

Diamond Award

Our council was honored at the state awards banquet for our council's history book. Sir Knight Brad Stiner, our council historian, did an excellent job! Brad spent a lot of time collecting, organizing, and creating our history book. This award is very deserving and we are grateful for the great work done!

Christmas Poster Contest

Congratulations to Jader Kuchenbecker for his 2nd place finish at the state level for the 4th grade Christmas poster contest! Jader's poster was very well done and did an excellent job capturing the true meaning of Christmas!
