Good way for the Parish to participate

I enjoyed reading the books cover to cover, will read again

Our homebound would enjoy the books & word among us also.

I really appreciate these resources to deepen my faith

I loved set all afire, can we purchase them in church? *(yes, check out the Lighthouse Media kiosk)*

Love the CD Program

THANK YOU!

Thank you for promoting learning. Would love to see Mathew Kelly come to St. Christopher parish for a passion/purpose filled seminar!

All Good Topics. God Bless

Prefer discussion groups to be led by group members

Instead of focusing on theology, give us the material that would help us apply God's word in our life.

Word Among Us was also Excellent!

THANK YOU for the books & CD

Keep discussion groups going they are great for our parish! We need to "evangelize" as per Pope Francis! We need to be able to defend our faith!

Great Idea!
