

Verona Council 11155

Congratulations!

State Family of the Year

The Hartberg family has been awarded the Knights of Columbus State Family of the year award. They are very active in our Parish and we are blessed to have them. You may see them as greeters on Sunday, or the kids serving during Mass, or in the Children's choir. They serve the Parish in many ways and are involved in many different ministries. There are many factors that are evaluated during the selection process such as involvement with the KC's, the Church and community. However, witnessing to the Catholic Christian Faith is probably the most important, and they do that extremely well!

Medallion Award

Grand Knight Bill La Berge has been awarded the Medallion Award. This award recognizes commendable service and energetic efforts in the Knights of Columbus, Church, and community. Bill is very active in all of these areas. Bill is an usher and serves in many organizations besides the Knights including Saint Vincent de Paul. It is not uncommon for Bill to be volunteering with the Badger Prairie Needs Network, the Catholic Multicultural center, or the Verona Senior Center. Bill is a dedicated and engaged member of our Parish and is very deserving of this special distinction!
